COOMEALLA
MEMORIAL SPORTING CLUB LIMITED

2022/ 2023 PROGRAM

COOMEALLA GOLF CLUB

WELCOME

Membership of this Golf Club provides you with the opportunity to participate in all aspects of competitive and social golf.

Golf is played, for the most part, without supervision of a Referee or Umpire. The game relies on the integrity of the individual to show consideration for other players and to bide by the rules.

What is true of the game also applies to club membership. The spirit and image of a golf club is projected by the way fellow members show respect, courtesy and consideration for one another by the etiquette of its members.

All Players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be.
This is the Spirit of the Game of Golf.

"For When The Great Scorer Comes To Write Against Your Name, It Will Not Be That You Won Or Lost, But How You Played The Game."

The Committee of the Coomealla Golf Club would like to welcome you and hope you enjoy our Golf Course, the Club House and especially your Game of Golf.

SIMPLE RULES OF ETIQUETTE

1. Members shall afford the **President, Captain** and their selected playing partners the courtesy of precedence on the first tee.
2. Players should ensure that they never place another person in a position where they could be hit by a ball, club, stones, twigs or the like, when they make a stroke or a practice swing. If a player hits a ball in a direction where there is danger of hitting someone, they should immediately shout a warning. The traditional word of warning in such situations is "FORE".
3. All players are required to carry a sand bucket and fill and smooth divot marks on the FAIRWAYS, TEES and in the ROUGH. You know how irritating it is when you land in a divot.
4. Fixing pitch marks – both yours and others you may see - is not only a courtesy, but it helps to maintain a smooth putting green surface for all players. Players should ensure no damage is done to the putting surface when placing down bags or flag sticks. Do not lean on your putter when standing on the green.

   THE HEAD OF THE PUTTER SHOULD NOT BE USED TO REMOVE THE BALL FROM THE HOLE.

5. When you land in a bunker, enter the bunker from its lowest point closest to your ball to play your shot. After playing out, rake your divot and footprints trying to leave the bunker in as good or better condition as when you entered the bunker. Replace the rake in rake holder.
6. Please Turn Off Mobile Phone. After all we're here to escape the office – not to bring it with us.
7. Control your emotions. Club throwing, swearing and smashing clubs will not only disrupt your game but can distract your playing partners. If you can control your emotions you're half way to a good round.
8. Drink bottles and tops, lolly wrappers, and other rubbish should be placed in bins.

ORDER OF PLAY

All competitors in club competitions have equal rights regardless of the number of players in the group.

Groups of FOUR are to be the maximum number.

Except where a Pennant Match is in progress or when a Match Play off has been arranged, players in competitions will have priority on the course.

PACE OF PLAY

As our fields grow bigger with large numbers of players to be accommodated on the course, the instances of "SLOW PLAY" have increased. This issue is constantly discussed amongst members as many members have experienced this at some stage and it certainly has an adverse effect on their enjoyment of the game.

The Committee is also concerned and sets out the following advice to assist in eliminating "SLOW PLAY".

1. Play at a good pace and keep up. Always be aware that your position in the field is directly behind the group in front and not just keeping ahead of the group behind. A group of 4 players should play this course in about 4 hours.
2. Know the Rules of Golf especially those pertaining to **Out of Bounds, Water Hazards and Lost Ball.**
3. The Player with the Honor must hit off **before marking** his/her score card. If he/she is delayed for some reason, change the order. The first person to putt out should attend and replace the flag stick for the others.
4. Walk directly to your ball or level with it and always be ready to play your next shot. Make as many preparations as is safe while other players are playing their shots.
5. If you run out of strokes in a Par or Stableford event, pick your ball up.
6. When playing on or near the green always place your Buggy in such a position as will enable quick movement off the green and towards the next Tee Area.
7. Motorised Carts must stay behind the lines marked.
8. Never mark your score card on the green-leave immediately after putting out.
9. If after a reasonable period it is apparent that your group is holding up play, or your group is more than one (1) clear fairway behind the group in front it should invite the group behind to play through, irrespective of the number of players in that group, or the reason for the loss of pace in the field.

10. Unless otherwise determined by the Committee, priority on the course is determined by a group pace of play. Any group playing an 18 hole round is entitled to pass a group playing a shorter round. Competition players have the right of way over social groups. The term "group" includes only two players.

MATCH COMMITTEE advises that it will, from time to time, be checking the field and score cards or complaints of "SLOW PLAY". Should particular groups or players be observed to be consistently slow in the field and are not responsive to verbal warnings from Match Committee or its representatives, then the Match Committee may require them to play at the rear of the field until their playing speed improves.

GOLF SHOP

As the Golf Shop is an integral part of the club, it is the duty of every member to extend to it the support to which it is entitled, by purchasing from its ample stock of golf clubs and golfing material. Your Golf Shop which is owned by the Club, will ensure members receive quality goods at competitive prices at a convenient location. The Committee would like to acknowledge the support received from the Golf Shop Staff and Management.

All Players must report to the Golf Shop before playing, **including Social Rounds**.

Players should report at least 20 minutes prior to their designated booking time. Failure to be ready at the booked time may result in competitors being relegated to the end of the field. The Golf Shop Staff will be responsible for the sending out of the field and any changes as required.

DRESS RULES APPLY TO COMPETITION, SOCIAL AND PRACTICE ROUNDS

Members and their Visitors are expected to present themselves suitably attired and neatly dressed at all times on the course and within the club house.

Members inviting guests are responsible for their conduct and dress code. Please comply with the Club Dress Rules so as to avoid any embarrassment to yourself and your playing partners by being refused access to the Golf Course or Club House.

In The Club House

Neat and Tidy Dress is required at all times.

No Singlets, Tank Tops, Football Shorts, Tracksuits or Drawn String apparel will be permitted.

Appropriate footwear must be worn at all times in the Club house.

Handicap: ¼ of the aggregate team handicap.

Tee Shot: Both players must provide seven (7) tee shots. Please mark on the card to show whose shot was taken on every hole.

Approach shot: Mark the ball and place within one club length. You cannot move from rough to fairway or take any similar advantage.

Putting: Mark the ball and place within one card width.

Bunkers: Ball should be placed in bunker. Bunker can be raked between shots without penalty.

GOLF CART DRIVERS

Persons under the age of 18 years not permitted to drive cart

Avoid WET & WORN AREAS on Fairways

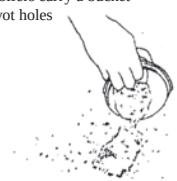
Do NOT drive over BLACK PAINTED LINES in front of Greens or within 5 metres of any tee, green or bunker

BIN IT

The only place for litter on your golf course is the disposal bin.

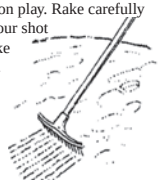
BUCKET IT

Good fairways grow better when all golfers carry a bucket and fill divot holes with sand.



RAKE IT

Smooth bunker surfaces promote good sand - iron play. Rake carefully after hitting your shot andreplace rake in rake holder.



REPAIR IT

Good putting comes easier on a true surface. Use a lifter to repair your ball mark on the putting green.
