Thanks also to all of the members of the committee who assisted in preparation for the event, our Club Captain, Troy, for his huge efforts, the golf shop staff for helping the day run so smoothy and the ground staff for ensuring our course was in such excellent condition.

### **3. New Television**

For those of you wondering about the television that is ready for installation in the clubrooms, we are planning on using this to keep members updated on what is happening. Steve Morrell has been working on slideshows with upcoming events, results, sponsors and other important information for our members and visitors.

### **4. Come and Try Day**

Nearly 20 participants supported this fun activity morning, with many club members supporting players, aged from 3 to 30 plus! A variety of skills were covered and some more experience participants played a 3 hole Par 3 "competition". We look forward to having another session later in the year.

### **5. Sponsors**

Many of you will have noticed that some of our new tee signs around the course have been sponsored. We have a few more sponsors who have come on board and their signs will go up shortly. If you would like to sponsor a sign, or can suggest a business that might be interested, please let someone on the committee know so we can follow this up. Sponsorship packages are very reasonably priced.

**6. MDGA Scratch Pennant** – This tournament commences on Sunday, 22<sup>nd</sup> June and runs for six weeks. Captain Troy will be in contact with team members soon.

**7. Raffles** – Again this year, we will be manning some Saturday night raffles at CMSC. If you can spare an evening, please put your name on the sheet in the clubrooms. Support is available if you are doing this for the first time. Just let Sue Laird or Janice Walker know.

**8. Course volunteers** – Each Monday, we have several volunteers who complete maintenance tasks on our course. There is always room for more. If you can spare a couple of hours to do some gardening or have a whipper snipper to trim around some areas, your assistance would be greatly appreciated. See Tim Nunan for more details!

**9. Newsletter Name** – Ralf Wagner suggested the name, "Par For The Course" for our newsletter and we think it is a fitting name! Very clever! Ralf can collect his prize from Warren at the Golf Shop. Well done, Ralf!

**10. Don't forget our Team Challenge weekend from 6<sup>th</sup>-8<sup>th</sup> June! Get your teams ready and book in!**
